Great – Thanks!

And, yes, certainly on the press release – We are very cognizant of the fact that this is just one step in the approval process.

Mary,

I would be very happy to provide an update on both topics. Janita can ensure my availability.

Congratulations on the MOA signing! A long road to reach this point. And please pass on my appreciation to Noah and team.

Ex. 5 Deliberative Process (DP)

Thanks.

Dave

Hi Dave,

On today's RA call, there was significant interest in having you participate in an upcoming call to talk about implementation of the NWPR – and it also may be a good time to give an update on 404 Assumption consultation policy – if you are interested and available. We are thinking of our call on Friday, August 14. I've copied Janita and Doug's team to see if this works and help with scheduling, if so.

Just signed the 404 MOA with Noah today. It was a great feeling! We took some photos and will try to do some press...

Have a great weekend,

Mary
